

# Man's World

## Beanie Sigel

This is a man's world  
This is a man's world  
Man's world prick, yeah  
This is a man's world  
Man's world, all y'all little kids out there  
Runnin' around with y'all little gats, man  
This is a man's world  
Man's world, go to summer school, nigga, get your G.E.D.  
Yeah, this a man's world, pricks, no broads allowed  
All my niggaz with that raw allowed  
All my niggaz with they fours allowed  
Who won't hesitate to bang a nigga, right in between they brows  
Let's roll, fuck them bitch ass niggaz, wearin thongs an' skirts  
Tryin' to catch 'em while they goin' to work  
Hit them niggaz on they job at they lunch break, make the pump quick  
Leave 'em ump-slayed when the fuckin' pump spray  
I roll with a sick all out squad, ten deep, let's roll out squad  
Bring heat when it's cold outside  
Mack stick to script an' stick to street  
Stick in clip an' flip your Jeep  
Got extended shit an' different heat  
Mack M 1 double now  
I'm knockin' feathers out your bubble down  
Stop the blood clot cryin'  
Blood clots from the iron, you're dyin', no lyin'  
This a man world, nigga, sit down, you girl niggaz  
This is a man's world  
Man, this a man world, nigga, sit down, you girl niggaz  
This is a man's world  
This a man world, nigga, man, man, man  
This is a man's world  
This a man world, nigga, fuck what people think  
This a man's world, bitch, all you whores bow down  
It's B Sig, I pimp like ta dow, peep game  
I sling Meth in Vials, hit your kitchen, cook your pies up  
Bring the coke back in piles, I'm that bored  
Oh, yeah, I almost forgot, bitch, get a foot up your ass  
If you don't get your foot on that ave an' start lookin' for cash  
Just get mine right, your money like, don't make me come out there

I smacked you whore an' get you done right there  
Leave this imprint 'cross your forehead, from the moray  
Bitch, know my forte, I'm not for play  
Hit your block, let the glock four play  
Finger fuckin' a trigger is not foreplay  
One more time, I'm not for play  
It's a man's world, how it's supposed to go  
Only the soldiers roll, you young like [Incomprehensible]  
I move like Sonny, but never backwards  
Weave in an' out of traffic, holdin' that package  
Weight don't get moved, it get pressed off the bench  
Move through an alley an' a hole in the fence  
I see when you move you tense  
It's a man's world nigga, sit down, you girl niggaz  
It's a man's world, kiko, they shoulda told you from the get-go  
That you fuckin' with them South Philly sickos  
Think it's all raps 'til them gats start to hit you  
Black town cripple, Operation Lockdown the town with them nickels  
Dopeman, dopeman  
But peep it, I ain't goin' to court  
I bang people that be goin' to court  
And know people I ain't goin' for shorts  
Bring straight money, cake money that tan coat, razor blade  
Straw plate money that grab coke, never weigh to pay for it money  
Grab toast, laser hater, break for it money  
Shit, you think you fast? Run, nigga, dumb nigga  
Don't get your skin grafted up, chin tacked up  
Fuck around an' get your men racked up  
Whatchu think all the gats is for? You can't last a war  
It's a man's world, nigga, sit down, you girl niggaz  
This a man world, nigga, sit down, you girl niggaz  
This is a man's world  
Man, this a man world, nigga, sit down, you girl niggaz  
This is a man's world  
This a man world, nigga, man, man, man  
This is a man's world  
This a man world, nigga, fuck what people think
