Behind Enemy Lines

Demi Lovato

And I feel, I feel a deep connection
And I think, that we might be onto somethin, no
And I know it's somethin special
Seein you here is not coincidental, mhmm
[Chorus]Well I've been walkin, walkin behind enemy lines
And I've been fightin, fightin from the other side
I've been sayin, sayin that I won't fall this time
But now I'm walkin, walkin within enemy lines
Ooo, oh
See I was tryin to be everything you weren't expecting
All I ever wanted was to try and keep you guessing
But I'm falling way too fast

I just want this love to last forever, forever
And every time I feel this way
Oh, somethings changed for the better
(Whoa whoa whoa ooo)
[Chorus]And I've been walkin, walkin behind enemy lines
And I've been fightin, fightin from the other side
I've been sayin, sayin that I won't fall this time
But now I'm walkin, walkin within enemy lines
[Chorus]And now I'm walkin, walkin behind enemy lines
And now I'm fightin, fightin from the other side
I've been sayin, sayin I won't fall this time
Now I'm walkin, walkin within enemy lines
