

# I Get Lonely

Janet Jackson

I get so lonely, can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you  
I get so lonely, can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you Sittin' here with my tears  
All alone with my fears, I'm wondering  
If I have to do withoutcha  
But there's no reason why I feel asleep late last night  
Cryin' like a newborn child  
Holdin' myself close  
Pretendin' my arms are yours  
I want no one but you I get so lonely, can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you  
I get so lonely, can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you I still remember to the day  
In fact it was a 3rd Monday  
You came along to be the one for me  
And now I'm so all alone I'm sittin' here by the phone  
Called that say that your okay  
So that I have  
The chance to beg you to stay  
I want no one but you I get so lonely, can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you  
I get so lonely, can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you I get so lonely, can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you  
I get so lonely, can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but Gonna break it down, break it down, break it down  
Gonna break it down, break it down, break it down  
You know that I know that I get so lonely thinking of you I get so lonely, can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you

I get so lonely, can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you I get so lonely, can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you  
I get so lonely, can't let just anybody hold me  
You are the one that lives in me, my dear  
Want no one but you
