Beyond These Walls

Tom Trimble

Verse 1
Such a sanctuary, such a sacred place.
Sometimes churches can become prisons for amazing grace.
There's nothing wrong with enjoying blessings of the Lord.
We must realize that's not the reason he saved us for.

Chorus
Cause maybe somewhere beyond these walls.
There's someone out there, who doesn't know Jesus at all.
Maybe somehow, we can open a door.
He is the answer, their searching for.

Verse 2
In the supermarket or just walking down the street.
you can see the carnage in each broken heart you meet.
We can not sit here in our religiosity.
Don't you know service begins when we lead.

Chorus 2xs
Cause maybe somewhere beyond these walls.
There's someone out there, that doesn't know Jesus at all.
Maybe somehow, we can open a door.
He is the answer, their searching for.

Ending Repeat
He is the answer, their searching for.
