

Mr. Romeo (Ralphi Rosario Radio Edit)

Emii

Ro Ro Romeo, Ro Ro Romeo
Ro Ro Romeo, Ro Ro Romeo
S-N double O
And I'm gonna be your RomeoThe wrong way
Looks like the right way
Let the media paint the picture
Then we're gonna rip it out the frame...A peep show
Has never been so profitable
Show ya ass and I'll spank it
The cash and I'll take it
And we can watch it blowTake me wickedly
Give me body
Show me the end of the rainbowMr. Romeo
Come here and bite me like an animal
I want it vicious,
Wanna hear you roar
And in the end you gon' want me more
Mr. Romeo,
Mr RomeoRo Ro Romeo, Ro Ro Romeo
Camera's onA whirlwind
Of sex and watered down gin
A competition of one's ambition
Let's see who can bring the racks inWe French kiss
(How did it taste?)
With Mr. Benjamine's kids
Stay up til five for the 50's
Stock 'em and cop a Bentley
Bring the big wigsI question what you're here for,
Lets just grab life by the horns
Get ripped, ride hard
Release all ya fantasies
Before I up and leaveMr. Romeo
Come here and bite me like an animal
I want it vicious,
Let me hear you roar
And in the end you gon' want me more
Mr. Romeo,
Mr Romeo
Mr. Romeo(Snoop Dogg)Light a candle set the tone

Lights, action, cameras on
Meeting you in a foreign place
Chocolate dog, how'd it taste?
Whip it out
Lay you down
Kiss your neck
Rub you down
Turn up the music, right about now
Shake that thing
And show me how you get down
I can get you what you like
I know just what you need
Nice and tight
Slice and dice
The price is right
And you can have this life
This is how I live
Bada bing, yada ding
S-N double O
And I'm gonna be you're RomeoMr. Romeo
Come here and bite me like an animal
I want it vicious,
Let me hear you roar
And in the end you gon' want more more
Mr. Romeo,Mr. Romeo
Come here and bite me like an animal
I want it vicious,
Let me hear you roar
And in the end you gon' want me more
