It Is True

Syleena Johnson

My Love, you know every once in a while something special happens in heaven
A love created by God reigns down in the world and connects two souls together to become one
Well, my darling, yeah, no,
Oh yeah yeah, yeah, uh uh
No one, listen
There's gotta be a reason
That every day I wake up,
You're the first thing that I think of and...
There's gotta be a reason, um
I'm slipping in my routine,
Because I'm waiting for the phone to ring and be you yeah
And over and over again
In my dreams and in my head
Oh I'm imagining you all in my future
Us continuing through til we grow older, yeah
Because I swear that I've never met
A man like you
Yeah a true soldier
My knight in shining armor you saved me boy
You bring me joy that's how I know it's true yay yeah (is it true)
That I love you baby, oh oh, yeah yeah
You should know, boy (is it true)
Oh, that I need you baby (no one, no one, babe)
No one can take your place boy
And now I realize that special thing from heaven is God bringing you to me and me to you
Hmmm Maybe it's our season oh,
Oh to be fruitful and let go in the name of love
Cause it's true yea yeah, oh
And over and over again
In my dreams and in my head
Oh, I'm imagining you all in my future
Us continuing through til we grow older, yeah yeah whoa
Because I swear that I've never met
A man like you
Yeah a true soldier
My knight in shining armor you saved me boy
You bring me joy that's why I know it's true, yeah, yeah, yeah, yeah
Oh Whoa That I love you baby, ho oh
You should know that (is it true)

Oh oh that I need you baby (no one, no one, babe)
No one can take your place no
A true soldier (is it true)
Oh My knight shining in armor
You are my prince of peace
You're everything and love you baby
It s true, you're all I need, you're all I want
No one
