The Smoke, the Feeling

Cloud Control

Leave a trace on me
In colours
Dark vivid hues
No one would expect
These colours to compliment the restto keep your heart
oh that was wrong
but its impossible, you can't deny it's broke
when you re-appear
its worse than waiting
the? kind
the smoke the feelingYou re-appear
you were not breathing
you taste it all
then I'm just dreaming
heart soon returns
I love love love to make it burn
burn down the door
oh that's love knocking at your doorto keep your heart
oh that was wrong
but its impossible you can't deny it allwhen you reappear
its like we're still waiting
the happy heart
the smoke the feelingyou reappear
you are not breathing
you taste it all
oh but I've been dreaming
you reappear
you are not breathing
you taste of all
that I've been dreaming
