We Are Monroe

Verse:

I don't need no plans,
I don't need your friends
with my mind made up, I know just where I stand
so you take your pleas
and your apologies
cause I've had my share and that's more than enough

Pre-chorus:

Another day you seek
another way to fill your means
I know what you want me to be
a lie at the side of you
well that's just won't do

Chorus:

Cause when I lose my mind
at the worst of times
I know it's all because of you
and when you take my hand
with your head held high
you'll know it's all because of me

Verse:

So don't look to blame,
I don't play that game
with a bit of luck, I'll be out on my way
while you fill your speech
with that shit you speak
well I've hear my share and that's more than enough
