

Hold On

Chord Overstreet

Loving and fighting
Accusing and denying
I can't imagine a world with you gone
The joy and the chaos
The demons we're made of
I'd be so lost if you left me alone
You locked yourself in the bathroom
Lying on the floor when I break through
I pull you and feel you heartbeat
Can you hear me screaming please don't leave me?
Hold on I still want you
Come back I still need you
Let me take you and I'll make you right
I swear I'll love you all my life
Hold on I still need you
Long in this hallway, silent beside me, driving a nightmare I can't escape from
Helpless and praying
The light isn't fading
Hiding the shock and the chill in my bones
They took you away on a table
I pace back and forth as you lay still
They pull you and feel your heartbeat
Can you here me screaming please don't leave me?
Hold on I still want you
Come back I still need you
Let me take you and I'll make you right
I swear I'll love you all my life
Hold on I still need you
I don't wanna let go
I know I'm not that strong
I just wanna hear you say baby let's go home
Let's go home
Yeah I just wanna take you home
Hold on I still want you
Come back I still need you
