

Every River

Runrig

Advisory - the following lyrics contain explicit language:

You ask me to believe in magic
Expect me to commit suicide of the heart
And you ask me to play this game without question
Raising the stakes on this shotgun rouletteEvery river I try to cross
 Every hill I try to climb
 Every ocean I try to swim
 Every road I try to find
 All the ways of my life
 I'd rather be with you
 There's no way
Without youBut you came to me like the ways of children
 Simple as breathing, easy as air
Now the years hold no fears, like the wind they pass over
Loved, forgiven, washed, savedEvery river I try to cross
 Every hill I try to climb
 Every ocean I try to swim
 Every road I try to find
 All the ways of my life
 I'd rather be with you
 There's no way
Without youEvery river I try to cross
 Every hill I try to climb
 Every ocean I try to swim
And every road I try to findAll the ways of my life
 I'd rather be with you
 There's no way
Without youEvery river I try to cross
 Every hill I try to climb
 Every ocean I try to swim
 Every road I try to find
 All the ways of my life
 I'd rather be with you

There's no way
Without you
