

# He Was the King

[Freddy Cole](#)

Who could forget that velvet voice so warm  
Thoughts turned to love as he would sing  
He gave of himself from the day he was born  
He'd make a cold winter's day turn to springHe was the King...a gentle man  
The hearts he touched..in every land  
Who can begin to count the ways  
He spread such joy, he spread such love, even todayHe was the King...second to none  
Throughout the world...he was the one  
With so much class...he had such grace  
A certain style..a friendly smile upon his faceWho could forget the velvet voice so warm  
Thoughts turned to love as he would sing  
He gave of himself from the day he was born  
He'd make a cold winter's day turn to spring
