Running back

T.L.T.

These days you barely even say my name
Like you don't really feel the same
I'm wondering what's to blameThese nights I fall asleep wondering where you are
It feels like we're falling apart
And it's only breaking my heart'Cause if being with you means being alone
And never knowing when you're coming home
Then I guess I'm better off on my ownBut I can't move on 'cause that means forgetting
Forgetting everything we had
Instead I keep running, keep running
I keep running back'Cause I keep forgetting
Forgetting you treat me so bad
So I keep on coming, keep coming
I keep coming backI keep coming back, I keep coming back
And I keep running back, I keep running back
I keep coming back, I keep coming back
And I keep running back, I keep running backMy friends say that I should leave you behind
And stop wasting all of my time
They tell me that I'm outta my mindBut I know that what we both share is real
And I've been willing to deal
With the way that you're making me feel'Cause if being with you means being alone
And never knowing when you're coming home
Then I guess I'm better off on my ownBut I can't move on 'cause that means forgetting
Forgetting everything we had
Instead I keep running, keep running
I keep running back'Cause I keep forgetting
Forgetting you treat me so bad
So I keep on coming, keep coming
I keep coming backI keep coming back, I keep coming back
And I keep running back, I keep running back
I keep coming back, I keep coming back
And I keep running back, I keep running backMama caught up
We done all heard the same story
Just different authors
This book crazy, always a ladyLooking for love where there's a maybe
They might could be together
They fight to be together
A'ight to be togetherShorty, yeah he cheated
You say you don't need it
Turn around and leave it

Oh, he back next weekFuss Fight and then the whole thing
Repeat like nothing ever happened
Dat was just rapping
No publishingShorty you knew that he don't got the same government
Lil mama can't move on
But it's her fault she struggling
She can't move onBut I can't move on
'Cause that means forgetting
Forgetting everything we had
Instead I keep running, keep runningI keep coming back, I keep coming back
I keep running back and I keep running back
I keep coming back, I keep coming back
And I keep running, I keep running backI keep coming back and I keep coming back
I keep coming back and I keep running
I keep running back to you
