You And Me

Ryan Star

Saw you standing across the room
I find my way to your heart
Couldn't speak, I couldn't move
I find my way to your heartTill it's you and me
I've seen your eyes before
And it's you and me
I don't want anything moreKeep your window opened up
I find my way to your heart
Don't have money, I don't have much
But I find a way to your heartTill it's you and me
I'll keep you safe and warm
And it's you and me
I don't want anything moreAnd I remember you
(And all the things that we have planned)
And I remember you
(And all the [unverified] that set us free)
I will come back for youAnd me
I've seen your eyes before
And it's you and me
I don't want anything more
Till it's you and me
(I'll keep you safe and warm)
And it's you and me
(I don't want anything more)
