

# Josephine (La Version Française)

Chris Rea

Theres rain on my window  
But Im thinking of you  
Tears on my pillow  
But I will come through Josephine  
Ill send you all my love  
And every single step, Ill take  
Ill take for you Josephine  
Ill send you all my love, babe  
Josephine  
Ill send you all my love, babe Now theres a storm on my radar  
But I can still fly  
Oh, and you are the reason  
The blue in my sky Josephine  
Ill send you all my love, babe  
Josephine A life without meaning  
I was walking away  
In the coldest of winters  
Night becomes day Josephine  
Ill send you all my love  
And every single step that Ill take  
Ill take for you, my Josephine  
Ill send you all my love, babe  
Josephine  
Ill send you all my love, babe Oh when Im far away  
(Ill send you all my love)  
Oh, so far away  
Ill send you all my love Josephine  
(Ill send you all my love)  
Ill send you all my love  
Josephine  
(Ill send you all my love) Josephine  
(Ill send you all my love)  
Josephine  
(Ill send you all my love) Josephine  
(Ill send you all my love)  
Ill send you all my love  
Josephine
