

# My Cherie Amour

## Smokey Robinson & The Miracles

La la la la la la  
La la la la la My cherie amour, lovely as a summer day  
Oh, cherie amour, distant as the milky way  
Woo, cherie amour, lovely little girl that I adore  
You're the only one my heart beats for  
How I wish that you were mine In a cafe or sometimes on a crowded street  
I've been so near you, but you never noticed me  
Hey, cherie amour, won't you tell me how could you ignore  
That leave behind that little smile I wore  
How I wish that you were mine, Cherie  
La la la, la la la  
Maybe someday, you'll see my face among the crowd  
And, Maybe someday, I'll meet you in a distant cloud  
Oh, cherie amour, lovely little girl that I adore  
You're the only one in my heart beats for  
How I wish that you were mine, Cherie La la la, la la la How I wish that you were mine,  
Oh, cherie amour
