

# Lovers in Bloom

[Harts](#)

I wish I had the way to show you the pictures on my mind.  
Dreams of you, constant and true, show that we have another life.  
Would you believe if i should say, I've seen this world so identical.  
But where the love is laid and the winds have changed,  
And the two of us together as one.I said,  
(Ooh, ha) I want you to know baby,  
(Ooh, ha) It's seven o'clock in the morning baby,  
(Ooh, ha) I cant get you off of my mind,  
(Ooh, ha) But i dont know if should say..Is it naive that I'm trying to make you believe we're Lovers In Bloom?
