

Moonlight Shadow

Mike Oldfield

The last that ever she saw him
Carried away by a moonlight shadow
He passed on, worried and warning
Carried away by a moonlight shadowLost in a riddle that Saturday night
Far away on the other side
He was caught in the middle of a desperate fight
And she couldn't find how to push throughThe trees that whisper in the evening
Carried away by a moonlight shadow
Sing a song of sorrow and grieving
Carried away by a moonlight shadowAll she saw was a silhouette of a gun
Far away on the other side
He was shot six times by a man on the run
And she couldn't find how to push throughI stay, I pray
See you in Heaven, far away
I stay, I pray
See you in Heaven one day4 am in the morning
Carried away by a moonlight shadow
I watched your vision forming
Carried away by a moonlight shadowStars move slowly in a silvery night
Far away on the other side
Will you come to talk to me this night
But she couldn't find how to push throughI stay, I pray
See you in Heaven, far away
I stay, I pray
See you in Heaven one dayCaught in the middle of a hundred and five
Far away on the other side
The night was heavy and the air was alive
But she couldn't find how to push throughCarried away by a moonlight shadow
Carried away by a moonlight shadow
Far away on the other side
