

# The Rest of My Life

## Sloan

I started thinkin' bout  
The rest of my life  
I found my selfish looking out for  
Trouble and strife  
Someone with whom I'll spend  
The rest of my days  
But if I ever said I wasn't  
Set in my ways  
Then I guess you caught me  
Lying to myself What kind of fool  
Doesn't think about it?  
What kind of fool  
Doesn't think about it?  
You'd have to be a fool  
Not to think about it Am I gonna settle down  
Am I gonna be  
Someone who has to take  
The rest of my life  
To settle down?  
Then I guess you caught me  
Lying to myself Who'll make a man out of me? One thing I know about  
The rest of my life  
I know that I'll be  
Living it in Canada  
I know I said I'll share  
The rest of my days  
But I was only  
Going through a phase Am I gonna settle down  
Am I gonna be  
Someone who has to take  
The rest of my life  
To settle down?  
Then I guess you caught me  
Lying to myself What kind of fool  
Doesn't think about it?  
What kind of fool  
Doesn't think about it?  
You'd have to be a fool  
Not to think about it?
