The Good Times We Had

Peter, Paul & Mary

Times have changed
All the good times that we had are gone now
Passed this way
Only memories will remain, tomorrowI thought my dreams would be enough for a while
And all the plans that we made
Hey, we had love that was all that we had
And even that don't seem the samePeace of mind, peace of mind
Where's the happiness we should be havin'?
We can't find, we can't find
Any answers in the good times we hadI thought my dreams would be enough for a while
And all the plans that we made
Hey, we had love that was all that we had
Even that don't seem the same
