

# Wildest Dreams

## The Sound

She said "let's get out of this town  
Drive out of the city  
Away from the crowds"  
I thought "heaven can't help me now  
Nothing lasts forever  
But this is gonna take me down."She's so tall and handsome as hell  
she's so bad but he does it so well  
I can see the end as it begins  
My one condition is  
Say you'll remember me  
Standing in your nice dress  
Staring at the sunset, babe  
Red lips and rosy cheeks  
Say you'll see me again  
Even if it's just in your  
Wildest dreams  
Wildest dreamsI say no one has to know what we do  
His hands are in my hair  
His clothes are in my room  
And voice is a familiar sound  
Nothing lasts forever  
But this is getting good nowShe's so tall and handsome as hell  
She's so bad but he does it so well  
And when we've had our very last kiss  
My last request is  
Say you'll remember me  
Standing in your nice dress  
Staring at the sunset, babe  
Red lips and rosy cheeks  
Say you'll see me again  
Even if it's just in your  
Wildest dreams  
Wildest dreamsYou'll see me in hindsight  
Tangled up with you all night  
Burning it down  
Someday when you leave me  
I'll bet these memories  
Follow you around  
Follow you aroundSay you'll remember me

Standing in your nice dress  
Staring at the sunset, babe  
Red lips and rosy cheeks  
Say you'll see me again  
Even if it's just pretend  
Wildes Dreams

Wildes Dreams Say you'll remember me  
Say you'll remember me
