The Way I Feel

Sanctus Real

Get a hold of yourself
Try and figure it out
Figure it out
There's a way to escape
But the choices you make
They stand in the way
And so you say
That it's the only way
But I now know
How I feel about it
And I can't escape
The way you feel
'Cause it's the way I feel
And it's surreal
And take a look at yourself
Are you wondering how
It's gonna work out?
And there's a way to escape
What you think is your fate
But you say it's too late
And so you say
That it's the only way
But now you know
How I feel about it
And I can't escape
The way you feel
'Cause it's the way I feel
And it's surreal
And I cannot change
The way it is
'Cause it's the life that you live
And it's so real
And I'm missing you still
And I have felt so far
From home here
I don't wanna stir the waters
Of a restless soul
I'll learn to let this go
The way I feel

It's the way I feel
And it's surreal
And I cannot change
The way it is
'Cause it's the life that you live
And it's so real
And I can't escape
The way you feel
'Cause it's the way that I feel
And it's surreal
There's a way to escape
What you think is your fate
It's never too late
