Bang Bang Ft. Blu

Winnipeg's Most

her bodyâ€™s bangin, i can see them bouncin 2x

her bodyâ€™s bang bang i can see the bounce bounce 2x

her bodyâ€™s banging i can see them bouncing 4x

hey there little hottie go on and bounce that body

brooklyn we came to party, yeah i got haters on me

i came to mess around and i donâ€™t wait around

you know that i get wild, they call it swagger style

letâ€™s get it load and poppin cause ainâ€™t no way iâ€™m stopping

time to cut the talkin bottles just keep on poppin

unleash that tiger, roar, you play and live and score

you want to live it low her bodyâ€™s bangin, oh

her bodyâ€™s bangin i can see them bouncing 4x

i make em bounce with me but thatâ€™s the hood in me

i see they hatin heavy, i know they hatin heavy but they canâ€™t take

this from me, we making lots of money

we take em, we shake em, we break em down, dummy

i move it, move it loud, we making music now

these haters hate my style, heatbag got swag for miles

so come and get me lady, you know you want me baby

hey shorty, hey shorty, hey shorty bounce bounce

her bodyâ€™s bangin, i can see them bouncing

her bodyâ€™s bang bang, i can see them bounce bounce 2x

i see them bangin bangin, i just want to see you bouncin bouncin

bout to take it to the top, hey baby want to climb this mountain?

we shootin for thre stars, we like to party hard

itâ€™s not where you come from in this world, itâ€™s how you play your cards

but shorty played em right, plus her bodyâ€™s super tight

wanna party with this hottie till the dark just turned to light

girls like you are shakin shakin on the ground

while you be hatin winnipegâ€™s a lot now, itâ€™s world domination

winnipegâ€™s most with yâ€™all interpretion

her bodyâ€™s bangin i can see them bouncin 2x

her bodyâ€™s bang bang i can see them bounce bounce 2x

her bodyâ€™s bangin i can see them bouncing 2x

her bodyâ€™s bang bang i can see them bounce bounce 2x
