

Sometimes (Dr. Hirsch)

[Yello](#)

You're leaving, you're leaving me now
I'm wishing, I wish this would hurt
But I suffer, I can't feel the pain
Sometimes, sometimes, I wish I could cry I heard it, I heard about love
I gave you the feelings I could
You left me, I know you were right Sometimes I wish I could cry
Sometimes I wish I could cry
Sometimes, sometimes I wish I could cry
