

# Hail Satanas

## Unlord

[Praise the Unlord] Spit on the sign of the pig on the cross  
and drink the blood of his corpse  
Impale his father, thrown on the ground  
Crushed under the hooves of my horse  
Rise Hail Satanas  
Rise Hail Satanas  
Born is the child, the force of night, out of the womb of the whore  
'Let the priest who baptises me, baptize me in rotten gore'  
Rise Hail Satanas  
Rise Hail Satanas
