Should I Stay, Should I Go

Maxx

Should I stay, should I go
I wanna know
What I've got to do
Should I stay, should I go
Well I don't know
Should I stay, should I go
I wanna know
Should I stay, should I go
How will I knowLove makes me blind and spins me round and round
You take me up, you take me down
I start to lose control what can I do
Tell me what you want, tell me what you need,
I'll do everything for youI don't know if you feel the same for me
One touch too much and I'm gonna go crazy
I'm in the mood for love, for loving you
Tell me what you want, tell me what you need,
I'll do everything for you
