

Boogie Boy

Iggy Pop

I'm a boogie boogie boogie, boogie boy
I like to play around with boogie toys
I need a boogie girl to boogie too
I need a doogie dog, my shoe to chew I like to make a dumb ass noise
Because I'm a boogie boogie boy Boogie boogie boogie, boogie boy
Boogie boogie boogie, boogie boy Now every mornin' I wake up at nine
I'm eating cheerios with red wine
I'm reading that book but it's not too good
'Cause my boogie head is made outta wood It's a fact I get so much joy
When I can go out and be a boggie boy Boogie boogie boogie, boogie boy
Boogie boogie boogie, boogie boy Boogie boogie boogie, boogie boy
Boogie boogie boogie, boogie boy Like to eat spaghetti with tomato sauce
I like to eat clams with Spanish moss
I like to go down to mash potato town
'Cause that's where a boogie boy can get down That's what I do like to make noise
Like to go out and be a boogie boy Boogie boogie boogie, boogie boy
Boogie boogie boogie, boogie boy Boogie boogie boogie, boogie boy
Boogie boogie boogie, boogie boy Boogie boogie boogie, boogie boy
Boogie boogie boogie, boogie boy
