Feels like Summer

Tim Wheeler

Time of our lives
Wonder of surprise
The open blue skies
Reflecting in our eyes
In a photograph
Captured as we laugh
Like we always do

Clear country air
Ever free from care
True friendship that we share
Joy beyond compare
In a perfect place
See the sunny days
Coming into view

Cause everyday feels like summer with you
Everything feels right starting anew
Everyday feels like summer with you
Aah (aah, aah)

Once you were here
My worries disappeared
It all became clear
Nothing left to fear
You have got my back
Keeping me on track
Like you always do
Time of our lives
Such a sweet surprise
Together mystified
Ever starry-eyed
Beyond any price
Pure as paradise
Coming into view

Cause everyday feels like summer with you
Everything feels right starting anew
Everyday feels like summer with you

Aah (aah)

If we get lost on a grey and cloudy day (we get lost on a grey and cloudy day)
Letâ€™s stick together, weâ€™ll always find our way (weâ€™ll always find our way)

Cause everyday feels like summer with you
And everything feels right starting anew
Everyday feels like summer with you
Aah (aah, aah)

Cause everyday feels like summer with you
And everything feels right starting anew
Everyday feels like summer with you
Aah (aah, aah)
