Soldier Boy

Deztini Farinas

he used to be my hero until he decided to become yours. he used to be my everything, until he heard the sound of freedom reign. as tears weld up in our eyes we watched his plane take flight, and i know this is not goodbye but instead when will i see you again? soldier boy i miss your face, i miss the way we used to laugh and play. soldier boy when you coming home? that all i really wanna know. soldier boy i miss your smile, you know i haven't seen it in quite awhile. soldier boy when you coming home? that all i really want to know. he used to be my best friend until he decided to become an army man. I hate that you are not around, but hey i could be more proud. soldier boy i miss your face i miss the way we used to laugh and play. soldier boy when you coming home? that's all i really wanna know. soldier boy i miss your smile you know i haven't seen it in quite a while, soldier boy when you coming home? that's all i really wanna know.
