

# All Night Long (Remastered)

Billy Squier

She goes down  
She, walks into your life so effortlessly  
Makes you swallow, she go downShe make you look, she's trouble boy, oh yea  
She'll take your life into her hands, oh yeaShe goes down, she never gets enough  
She goes down, she never gives it upShe, laughs at all the things you pretend to be  
You're a gone boy, she's the oneShe got the look, she's soul attraction  
She'll lead you out across the line  
She got the love that comes in colors  
She got the touch that's hard to findShe wrote the book, spells trouble boy, oh yea  
Run for your life, she'll make your plans, oh yeaShe goes down, she never gets enough  
She goes down, she'll never give it up  
Cause she makes you, she go down  
Say she'll take you, she go downShe acts out all your dreams, she'll be your fantasy  
You're a schoolboy in her arms and she'll teach you  
She got the love that comes in colors  
She got a touch that's hard to find  
She got the gun, she's got the power  
She'll shoot it up do you dare to tryShe makes you, she go down  
And she'll break you, stick aroundShe goes down, she never gets enough  
She goes down, she never gets enough  
She goes down, she'll never let you up  
And she'll take you, she goes down  
And she'll make you, she goes down
