

# Stop

Jon Secada

Stop! Tell me what you're thinking  
I can read your body, sex me with your mind  
I, I know the feeling, let me be your shelter  
Stay with you tonight  
I want to take you to another place in time  
So I can feel you move and breath all over me inside  
Don't be afraid to tell me how you wanna feel  
Tell me what you want and baby I will make it real  
Stop! Tell me what you're thinking  
I can read your body, sex me with your mind  
I, I know the feeling, let me be your shelter  
Stay with you tonight  
I wanna give you todo mi amor  
You are my love, mi corazon  
Dame tu amor, I'll never let it go  
Don't let it slip away  
I wanna give you todo mi amor  
You are my love, mi corazon  
Dame tu amor, I'll never let it go

Don't let it slip away  
Look into my eyes and tell me what what you wanna see  
I promise I will make your wish come true if you believe  
When I look at you, I know exactly what I need  
If you tell me what, I'll show you what I got in me  
Stop! Tell me what you're thinking  
I can read your body, sex me with your mind  
I, I know the feeling, let me be your shelter  
Stay with you tonight  
I wanna give you todo mi amor  
You are my love, mi corazon  
Dame tu amor, I'll never let it go  
Don't let it slip away  
I wanna give you todo mi amor  
You are my love, mi corazon  
Dame tu amor, I'll never let it go  
Don't let it slip away
