# Atomik Lust

## Super Furry Animals

If your moon should eclipse me
And block out my sun
Ride on typhoons and hurricanes
Watch sky map on re-runFine times to walk on wine
Heads down no stress
Find some atomic lust
Whenever more or lessLet's get our shit together
Insane with crack brains
I'd love to see the ending someday
Of Citizen KaneSo long the thrills long gone
No more duress
No more atomic lust
Whenever more or less
