On My Way

No Fun At All

I guess I'm on my way
No reason left to stay
Nobody to comfort me
In my loneliest timeYour love was all I had
So joyful, never sad
I never could understand
Why you lost all your vitalityNow I'm losing the things in life I desired
Losing the things in life I desired, it gets me
Yeah, it finally gets me on my kneesI guess I'm on my way
Got nothing more to say
I finally gave away
Trying to get back that dualityNow I'm losing the things in life I desired
Losing the things in life I desired, it gets me
Yeah, it finally gets me on my kneesLosing the things in life I desired
Losing the things in life I desired, it gets me
Yeah, it finally gets me on my knees
