Go N' Get It

Ace Hood

Intro:] (I do it) Blood sweat tears Ace Hood (I do it)
[Chorus:] Another day, another dollar Every twenty four I'm thinking money and the power Billsdue, money running low Plus my cousin lost her mind and had an overdose Way too many problems got me stressed out What you do when you've got seven days to move out Go n get it, go n get it, go n get it I'm out here chasing greens Go n get it, go n get it, go n get it Need it by any mean
[Verse 1:] Uh Money the root of evil guess I'm the devil then Bag full of dead faces likeAfghanistan Hundred K or better, custom made barrettas How about that paper cheddar Hopping out that bemer leather Tell em get a load of this bezel Big face and the rocks all pebbles Don't grind and a niggadon'tshine fuck yall gotta get mine Big dough, big money on mind Running like to the sun up rise Money it never sleeps got bags up under my eyes Just know I gotta get it mama very sickly plus I'm expecting twins That'sjust what heaven sent me God fearing niggathisI who in theflesh 'fore I let my people starve God bless my soul to rest

[Chorus:] Another day, another dollar Every twenty four I'm thinking money and the power Billsdue, money running low, Plus my cousin lost her mind and had an overdose With so many problems got me stressed up What you do when you've got seven days to move out Go n get it, go n get it, go n get it I'm out here chasing greens Go n get it, go n get it, go n get it Need it by any mean
[Verse 2:] OK now riding around with that rocket Niggastrying to steal my flow tho Thank you for the promo We the best still be that logo OK back upon my dough shit Sliding on in them two six Lights do, car note, baby fees plus rent Nigga justno doubtno I'm out here Tote my.9 without fear Most you niggaspussy,yeah I'm talking paps smear Lord guide me as my day go, trying get my mom off pay roll When I put her in that Benz-o, Gettin hard when them funds low I'm sick and tired of her crying, tired of nickel and dimes Look in her in her eyes but I know your son gonna rock 'Cause I'm a God fearing nigga'causeI am in theflesh Who won't let my family starve god bless my soul to rest
[Chorus:] Another day, another dollar Every twenty four I'm thinking money and the power Billsdue, money running low, Plus my cousin lost her mind and had an overdose With so many problems got me stressed up What you do when you've got seven days to move out Go n get it, go n get it, go n get it I'm out here chasing greens Go n get it, go n get it, go n get it Need it by any mean
