Is It Any Wonder?

[Nichole Nordeman]

Pencil marks on a wall, I wasn't always this tall
You scattered some monsters from beneath my bed
You watched my team win
You watched my team lose
You watched when my bicycle went down again
And when I was weak, unable to speak
Still I could call You by name
And I said, Elbow Healer, Super Hero
Come if you can
You said, I AmOnly sixteen, life is so mean
What kind of curfew is at 10 p.m.
You saw my mistakes.
And watched my heart break
Heard when I swore I' d never love again
And when I was weak, unable to speak
Still I could call You by name
And I said, Heartache Healer, Secret Keeper
Be my best friend
And you said, I AmYou saw me wear white by pale candlelight
I said forever to what lies ahead
Two kids and a dream, with kids that can scream
Too much it might seem when it is two a.m.
And when I am weak, unable to speak
Still I will call You by name
Shepherd, Savior, Pasture Maker
Hold onto my hand
You say, I AmThe winds of change and circumstance blow in and all around us
So we find a foothold that's familiar
And bless the moments that we feel you nearerWhen life had begun, I was woven and spun
You let the angels dance around the throne
And who can say when, but they'll dance again
When I am free and finally headed home
I will be weak, unable to speak
Still I will cal You by name
Creator, Maker, Life Sustainer
Comforter, Healer, My Redeemer
Lord and King, Beginning and the EndI Am
Yes, I Am
