

Is It Any Wonder?

Nichole Nordeman

Pencil marks on a wall, I wasn't always this tall
You scattered some monsters from beneath my bed
 You watched my team win
 You watched my team lose
You watched when my bicycle went down again
 And when I was weak, unable to speak
 Still I could call You by name
 And I said, Elbow Healer, Super Hero
 Come if you can
You said, I Am Only sixteen, life is so mean
 What kind of curfew is at 10 p.m.
 You saw my mistakes.
 And watched my heart break
 Heard when I swore I'd never love again
 And when I was weak, unable to speak
 Still I could call You by name
 And I said, Heartache Healer, Secret Keeper
 Be my best friend
And you said, I Am You saw me wear white by pale candlelight
 I said forever to what lies ahead
Two kids and a dream, with kids that can scream
 Too much it might seem when it is two a.m.
 And when I am weak, unable to speak
 Still I will call You by name
 Shepherd, Savior, Pasture Maker
 Hold onto my hand
You say, I Am The winds of change and circumstance blow in and all around us
 So we find a foothold that's familiar
And bless the moments that we feel you nearer When life had begun, I was woven and spun
 You let the angels dance around the throne
 And who can say when, but they'll dance again
 When I am free and finally headed home
 I will be weak, unable to speak
 Still I will call You by name
 Creator, Maker, Life Sustainer
 Comforter, Healer, My Redeemer
 Lord and King, Beginning and the End I Am
 Yes, I Am
