I Don't Wanna Dance

Hey Monday

Take me homeYou, you hit with me a break

And now you're back for more

Your song's the same

Leave me with all the blame

I don't have time for another gameI don't wanna dance

So don't you ask me, babe

I don't wanna dance

You blew your chance

To rock my night away

I want some fun

Boy, you're so not the one

I don't wanna dance

So let it go

You'll never take me home

Take me home

Take me homeTalk to me without a sound

'Cause you were such a tool

Who's sorry now?

You, you're shaking on the floor

Watch me walking out the doorI don't wanna dance

So don't you ask me, babe

I don't wanna dance

You blew your chance

To rock my night away

I want some fun

Boy, you're so not the one

I don't wanna dance

So let it go

You'll never take me home

Take me home

Take me homeDon't tell the DJ to hit rewind tonight

There's no you and me

Don't play that record

Don't waste your time You, you threw it all awayI don't wanna dance

So don't you ask me, babe

I don't wanna dance

You blew your chance

To rock my night away

I want some fun

Boy, you're so not the one
I don't wanna dance
So let it go
You'll never take me home
Take me home
Take me home
I won't dance
I won't dance
U won't dance
I won't dance
I won't dance
