

We Can't Fly (Extended Drums Mix)

Aeroplane

We can fly, come on, let's try
We're boys and girls, who rule the world
We can fly or kiss the sky
So long, bye, bye We can't, oh, oh, we can
We can't, oh, oh, we can
We can't, oh, oh, we can
We can't, oh, oh, we can We can fly, come on, let's try
We're boys and girls, who rule the world
We can fly or kiss the sky
So long, bye, bye Come on, don't cry
We can fly, come on, let's try
We're boys and girls
Who rule the world
