

# To Worship You I Live (Away)

## Israel & New Breed

Away, away from the noise  
Alone with You  
Away, away to hear your voice  
And meet with You  
Nothing else matters, my one desire is To worship You, I live  
To worship You, I live, I live  
To worship You To worship You, I live  
To worship You, I live, I live  
To worship You Away, away, away, away from the noise  
Alone with You  
'Way, away to hear your voice  
And meet with You, meet with You  
It's been a while but hear my heart cry again To worship You, I live  
To worship You, I live, I live  
To worship You To worship You, I live  
To worship You, I live, I live  
To worship You To worship You, I live  
To worship You, I live, I live  
To worship You Nothing else matters  
Nothing else matters To worship You, I live  
To worship You, I live, I live  
To worship You
