

Soar Across the Sea

Beau

My lover is on the other side of the world
And I can't do anything about it
No I can't do anything about it
But wait
In a cave

Of my sorrow that's so demanding
The distance is reprimanding
Your voice creeping into fantasies

On the other line
Whispering so magically
From a far away place
That I can't see
So why don't you leave
And soar across the sea

Soar across the sea
Across the sea
Across the Sea
Soar across the sea
Fly back to me

Follow the breezeMy lover writes me letters every day

I open them up with a smile
But I toss them away

Toss them away
Cause I can't wait
For him to take me
Out of my dreaming

Back into reality
Across the Sea
Soar across the sea
Fly back to me

Follow the breezeRight back into these arms and legs

And set me free
Return and liberate me
So I can watch you sleep
Gently next to me

Across the sea
Across the seaAcross the Sea
Soar across the sea
Fly back to me

Follow the breeze
