

# Crazy Day

## Small Town Heroes

DA DA DA DA DA DA DA DA DA  
Waiting gets old when you're looking for the one that can rock your world  
and i'm always in the  
wrong place wrong time  
It seems like luck is no friend of mine But it was one show, one night  
that changed my mind and maybe  
not for the better  
Looking down from the spotlight  
and all that I see is the girl in the  
crowd staring back at me She's got my head spinning around  
she's looks so cool with her hair down  
Maybe we can both escape from the city sound  
To take some time away  
It's been a crazy day  
and they're becoming normal for me  
Oh I've never felt this way  
It's where I wanna be It makes me want to scream  
From the top of my lungs  
I cannot withhold these feelings  
You're taking me over  
So tell me you want me  
I wrote you this song and  
Oh. you got me singing like WOAHH OH WOAHH OH OH OH Bet you can't admit that we've got something  
going on,  
yeah something's going on with the  
way you look at the ground as I walk by  
Acting all shy, the more you can't deny  
Maybe I'm overthinking  
Lost in my thoughts caught day dreaming  
Would you believe me when I say  
That you're not a one night throw-away Show me out  
Lead the way  
I'm holding on to blind ambition  
And now I need to say It's been a crazy day  
and they're becoming normal for me  
Oh I've never felt this way  
It's where I wanna be It makes me want to scream  
From the top of my lungs  
I cannot withhold these feelings  
You're taking me over

So tell me you want me  
I wrote you this song and  
Oh, you got me singing likeDA DA DA DA DA DA DA DAShe's pulling me in like gravity  
She's got that look in her eyes and she's got me like  
WOAH OH OH OOOHHIt's been a crazy day  
and they're becoming normal for me  
Oh I've never felt this way  
It's where I wanna beIt makes me want to scream  
From the top of my lungs  
I cannot withhold these feelings  
You're taking me over  
So tell me you want me  
I wrote you this song and  
Oh, you got me singing likeOH!
