

# Yin Yang

## Dappy

I say you look good then you kiss your teeth  
You look me up and down as you flick your weave  
Rude girl body like the magazine  
Bum looking ripe  
Like it dropped from the apple tree  
I was told I should never hit a lady  
But I've never been a doormat  
That's the way mum raised me  
Katie, Tracy they knew  
They couldn't keep me  
So they tried to keep my baby  
See them two are crazy  
Alesha was feisty  
So I found me the best of both worlds, that's a lighty  
This mutha excites me  
The bitch turned Jet Li when she fights me  
My yin and yang wifey  
My certified rider, that's why I provide her  
She says I only love her properly when I'm inside her  
Damn right  
I'm a king my sex is on fire  
So hush baby girl, be quiet You're cool  
You're nice, you're nice  
Living in a fantasy life  
Kaching!  
Swipe  
Ask her, who's shoes would you prefer  
Oh boy real life, real talk  
Calm down I can hear them Jimmy Choo's when you walk  
You're black, you're white, best of both types my yin and yang wife  
I'm looking for miss ride or die  
I'd have a baby and I'll never leave one by my side  
Someone who's loving me for life  
I need an attitude girl who can handle my ting right So you say your the one  
You the one, you the one  
But if my life was in danger you steal, would you run  
Are you down if you are  
We can ride through the avalanche  
She blew my mind out this world like an avatar

Look I got an ego bigger than your average man  
 Why should I make the effort  
 If she don't understand  
 Yea I made the cheddar but she wants Parmesan  
 Talk trash  
 Cut the crap I ain't a garbage man  
 Cause anything I say find a way to turn the tables  
 I ain't saying I'm a sinner or any type of angel  
 I'm just saying you'll regret it you're ever unfaithful  
 It's just you and me G so I beg you just be grateful  
 Cause anywhere I go you know you got an invitation  
 I wanna see you there at my final destination  
 And you don't need a job cause I could be your occupation  
 But you f-ck around I'll sack your ass without a resignation You're nice, you're nice  
 Living in a fantasy life  
 Kaching!  
 Swipe  
 Ask her, who's shoes would you prefer  
 Oh boy real life, real talk  
 Calm down I can hear them Jimmy Choo's when you walk  
 You're black, you're white, best of both types my yin and yang wife  
 I'm looking for miss ride or die  
 I'd have a baby and I'll never leave one by my side  
 Someone who's loving me for life  
 I need an attitude girl who can handle my ting right How do I slow this down  
 When I'm already in so deep  
 And the position that you're in's just right  
 Ooh oh oh oh oh  
 Show me you can practice what you preach  
 Hurry up back it up back it up and you'll be gone You're nice, you're nice  
 Living in a fantasy life  
 Kaching!  
 Swipe  
 Ask her, who's shoes would you prefer  
 Oh boy real life, real talk  
 Calm down I can hear them Jimmy Choo's when you walk  
 You're black, you're white, best of both types my yin and yang wife  
 I'm looking for miss ride or die  
 I'd have a baby and I'll never leave one by my side  
 Someone who's loving me for life  
 I need an attitude girl who can handle my ting right
