Paranoid

Tantric

You all alone, there in the dark
Shadows sinking into you
You're so afraid of everything
Is there somethin' left for you?Why bleed for the wicked
If the wicked don't bleed for me?
Gotta stand up, psych myself up
That's the way it's gonna be
Why can't I move, I'm tied up here?
He said I've seen this pain before
Sometimes I want to disappear
Gotta tell you, I'm feelin' paranoidWhat you gonna do, what you gonna be
When they're comin' after me?
I know that I'm feelin' the lonely one
What you gonna do, what you gonna be
When they're comin' after me?
I know that I'm feelin' the lonely oneDrinkin' away, smokin' away
Anything to stop the noise
Inside your head, numbness instead
Until your thinkin' finds a cureWhy bleed for the wicked
If the wicked don't bleed for me?
Gotta stand up, psych myself up
That's the way it's gonna be
Why can't I move, I'm tied up here?
He said I've seen this pain before
Sometimes I want to disappear
Gotta tell you, I'm feelin' paranoidWhat you gonna do, what you gonna be
When they're comin' after me?
I know that I'm feelin' the lonely one
What you gonna do, what you gonna be
When they're comin' after me?
I know that I'm feelin' the lonely oneWhat you gonna do, what you gonna be
When they're comin' after me?
I know that I'm feelin' the lonely one
What you gonna do, what you gonna be
When they're comin' after me?
Well, I know that I'm feelin' the lonely oneYea, what you gonna do, what you gonna be
When they're comin' after me?
I know that I'm feelin' the lonely one
What you gonna do, what you gonna be

When they're comin' after me?
I know that I'm feelin' the lonely oneWhat you gonna do, what you gonna be
When they're comin' after me?
I know that I'm feelin' the lonely one
What you gonna do, what you gonna be
When they're comin' after me?
Well I know that I'm feelin' the lonely one
