Baby don't make me feel blue
Move it baby don't you hesitate
I'm standing right before you
I smy loving more than you can take
I wanna party with you
Big time
Come on we're gonna get big time
Big time
I think we're gonna have big time - eh eh eh eh
Baby won't ya listen for a while
I got things to tell you
You gotta give me loving and a smile
Baby don't make me feel blue
Time has come to face reality
You need love and affection
I'm the one who's gonna make you see
I'll get you in the right direction
Big time
