

Ladder

Joan Osborne

Advisory - the following lyrics contain explicit language:

Today and everyday
Today and everyday
Today and everyday
Today and everyday I'm standin' here in your closet
Unbuttonin' all your clothes
I sleep in your bed tonight
But I never find you home You're givin' me crooked answers
I'm crackin' your little code
I'm learnin' another language
So full it's about to explode You give me a ladder now
I surely believe I'll climb
It don't even matter now
I'm willing to take my time I'm gonna love you anyway
Today and everyday
Today and everyday
I'm gonna love you anyway
Today and everyday
Today and everyday I wanted it to be easy
I know that I'll make you tired
Some tell me you're slow and lazy
Some tell me you're so inspired You wanted a long flirtation
Your plane doesn't ever land
Some things I don't want to look at
I don't want to understand but You give me a ladder now
I surely believe I'll climb
It don't even matter now
I'm willing to take my time I'm gonna love you anyway
Today and everyday
Today and everyday
I'm gonna love you anyway
Today and everyday
Today and everyday Today and everyday

Today and everyday
Today and everyday
Today and everyday
Today and everyday
Today and everydayToday and everyday
Today and everyday
Today, today and everyday
Everyday, everyday
Everyday, everyday
Everyday, everyday
