

'Til the Morning Comes

Us The Duo

It don't matter where I'm going or what I came to do
The point is there ain't nothing I'd rather have than you

Wrap me, wrap me in your arms

And hold me

Hold me 'til the morning comesI don't know how you got here
When you came alone

If loving you ain't right then I'm the queen of doing wrongWrap me, hmmm
wrap me in your arms

And hold me, hold me 'til the morning comesThose other guys are crazy they'd leave before you know

But once you let me in baby I'll never let you go

Those other girls got nothing when it comes to me

Just open up your arms and let me in and then you'll see

Wrap me, wrap me in your arms

And hold me, hold me 'til the morning comes

Ooooooh... And hold me, hold me 'til the morning comes
