Draw Me Out

Jason Rubero

I'm calling to you
Do you hear your name?
I'm running to you
Do you feel the same way?

I'm reaching towards you
I'm tired and I'm torn
You see me clearly
And your touch is warm

You draw me out
You draw me out
And I love you

You whisper to me
Your voice so near
Words may fail me
But my heart is clear

And you draw me out
You draw me out
And I love you

And you may never know
But I can't get enough
Of this beautiful aching pain
Of love

I'm calling to you
Do you hear your name
I'm running to you
Do you feel the same way?

You draw me out
You draw me out
And I love you
