

# How Great Your Love

## Elevation Worship

Verse:

Oh the cross of Christ  
Where love came for us  
You pursued our hearts, you pursued us  
In the Son of God  
The perfect sacrifice  
There's rescue for our hearts, rescue for us  
Pre-Chorus:  
We will lift our voice for all you've done,  
All you've done for us  
Chorus:  
Woah, how great your love for us  
Verse 3:

Glory to our God  
You have brought us home  
You forgave our hearts  
You forgave us  
Pre-Chorus  
Chorus  
Bridge:  
We are loved, we are loved  
Hallelujah our shame is gone  
We are loved, we are loved  
Hallelujah, love has won  
Chorus
