Diamond Ass

White Zombie

Asylum erotica, yeah
I said the ones on the wheels
Doomsday machinist, flying out the window
She's looking strange
Nowhere to nowhere
Diamonds, she's got what it takes, diamonds forever
You'd be surprised, come on, baby, get it in gear
Stone-face and raw meat

Nowhere to nowhere
Diamonds projected from above
A dead astronaut returns, buried in 'sixty-nine
Brain is all crystallized
More horrible than before, parasite sucking style
Hey, yeah, man, it's out of sight
Anti-Christ service, hey, yeah, man, it's out of sight
