See Right Through (Yaaman Remix)

Tensnake

My eyes are open
I see the part of you
Far beyond everything
You can think of
Holding your innocence
With happy hands
Trying to wash the ??
Section of my regret
Oh I can see right through
See right through you
Oh I can see right through it all
Oh I can see right through
See right through I see right through you
Oh I can see right through
I can see right through youI think I'm in residence
?? too it all
Oceans between the two of us
Every holiday
I know your face
Like the dark before the dream
I find myself in memory
Oh I can see right through
See right through you
Oh I can see right through it all
Oh I can see right through
See right through I see right through you
Oh I can see right through
I can see right through you.
