

# Glitter Ain't Gold (Jumpin' For Nothin')

Gary Clark Jr.

They told me that I needed some patience  
But don't keep me waiting too long  
They told me that I needed salvation  
But who are we to lean on, cause

Something's going on here  
Something's going wrong  
Running out of time here  
But I'm still waiting for something

It doesn't matter how high  
As long as you're with me when we fall

We're a step away from breaking down  
I need something good

Hey, hey, don't get me jumpin' for nothin'  
I don't wanna wait, I don't wanna wait  
I don't wanna wait much longer  
Hey, hey, don't get me jumpin' for nothin'  
I don't wanna wait, I don't wanna wait  
I don't wanna wait much longer

The light is at the end of the tunnel  
Or is it just a runaway train  
My daddy told me, "Glitter ain't gold, young boy  
So save yourself a whole lot of pain"

We're a step away from breaking down  
I need something good

Hey, hey, don't get me jumpin' for nothin'  
I don't wanna wait, I don't wanna wait  
I don't wanna wait much longer  
Hey, hey, don't get me jumpin' for nothin'  
I don't wanna wait, I don't wanna wait  
I don't wanna wait much longer

We're a step away from breaking down

I need something good

Hey, hey, don't get me jumpin' for nothin'  
I don't wanna wait, I don't wanna wait  
I don't wanna wait much longer  
Hey, hey, don't get me jumpin' for nothin'  
I don't wanna wait, I don't wanna wait  
I don't wanna wait much longer

Hey, hey, don't get me jumpin' for nothin'  
I don't wanna wait, I don't wanna wait  
I don't wanna wait much longer  
Hey, hey, don't get me jumpin' for nothin'  
I don't wanna wait, I don't wanna wait  
I don't wanna wait much longer
